

Calling Santa's Helpers

The holidays are just around the corner and we are looking for caring people with generous hearts to help CAC with its Holiday Helpers program.

Each December, the Children's Advocacy Center of Collier County opens its doors to families who need help making the holidays a little brighter for their children. Through the kindness of volunteers, the CAC is able to fill our lobby with toys, games and clothes to share with the parents and caregivers of children who have been abused.

Here is how you can help:

- During your holiday shopping, pick up an extra toy, game or outfit that you want to share with a child in need.
- Forward this information along to family and friends inviting them to join our Holiday Helpers.

Suggested items for younger children: books, dolls, toys, bicycles, Legos, art supplies, games and sport balls

Suggested items for older children: music CDs, MP 3 players, gift certificates, make up kits, hair accessories, sports equipment, video games and clothing
